

Montgomery Aviation and Indianapolis Executive Airport are excited to once again host the **10th Annual Open House, Fly-In, and Indy Air Race benefiting Down Syndrome Indiana (DSI)**. This event was very important to Dan and Andi Montgomery, who retired last year, and we are excited to continue the tradition and celebrate our 10th Anniversary under the new ownership of Eagle Creek Aviation and Matt Hagans. The event has seen substantial growth over the last two years, with over 4,000 attendees who enjoyed a fun filled day at the airport in 2015. For the 2nd year running we incorporated the Sport Air Racing League's Indy Air Race into the day – and it was again a great success. This year we are continuing to look for ways to expand the event and add to the displays, fly-bys, aircraft and helicopter rides, airplane candy drop, parachute jump, pancake breakfast, hot dog lunch, bounce houses, raffle & silent auction, and much, much more!

This year's event is scheduled for **Saturday, August 6, 2016** from 7:30AM - 2:00PM at Indianapolis Executive Airport (Indy Exec) and we need your help and support!

The focus of the day is to join together to raise money for a great cause, DSI- an organization that is truly making a difference in the lives of those living with Down Syndrome. DSI uses these funds for programs to help individuals with Down Syndrome achieve independence and inclusion in their community. DSI also ensures that those living with Down Syndrome have a voice with policy makers and work to increase positive awareness and understanding with the public at large.

Our joint efforts in the past have been extremely successful, having raised over \$23,000 in 2015 (a new single year record!) and bringing the total raised over the past 9 years to over \$135,000! This makes this event one of the largest fundraisers for DSI – but we believe we can always do more with your help!

That's why we are asking you to once again be a part of this great event. We have included levels of sponsorships and their descriptions to help you with deciding what sponsorship level would best suit your organization. Be assured that your donation will be put to great use. Most event expenses are donated or paid so that almost every dollar sponsored and collected the day of the event will all go to Down Syndrome Indiana that same day. Remember, not only is this cause important, but it is also local, and these proceeds benefit Hoosier families that need your help.

Your contributions are tax deductible and a receipt will be provided for your records (DSI is a 501(c)3 organization #80-0732286). Any gift, whether it is a monetary donation, donation in support of the event, or an item to be part of our raffle, is greatly appreciated. Also, if you would like to display your aircraft for the event or volunteer your time please let us know. We ask that you return the enclosed donation form with your desired amount as soon as possible in order to be included in initial event materials or contact us about donating any items to be used in prize giveaways. The earlier your confirmation of donation is received – the greater exposure you will have in our promotional materials.

We look forward to your participation in this great event and appreciate your consideration.

Sincerely,

Sean White
