Record Setting Fund Raiser

The total came to \$11,400.00 and all of it goes to the Indiana Down Syndrome Foundation. The money was raised at the Fly-In/Open House at Indianapolis Executive Airport in Zionsville which attracted more than a thousand visitors on Saturday June 20th.

This was the third year Montgomery Aviation has hosted the event which was supported by more than fifty area corporations.

This year's check was \$3,000.00 more than 2009 and was accepted by Lisa Tokarz-Gutierrez of the Indiana Down Syndrome Foundation who said she was "speechless" when told of the amount.

In the accompanying photograph Tokarz-Gutierrez accepts the donation from Montgomery Aviation's Michelle Danells and Dan and Andrea Montgomery.

The Open House also celebrated a reopening the airport's main runway after a 4.3 million dollar reconstruction project. Funds for the new runway came from the Federal Stimulus package and was the first airport project of it's kind in the United States to be funded and completed.
